EVOLVE SQUARE BOWL PLANTER

No Assembly Required – Optional Drainage for Outdoor Use:

This planter comes fully assembled and ready to use. For outdoor use, optional drainage can be added using the designated punch-out points at the bottom, allowing excess water to escape and helping support healthy plant growth.

Cleaning & Care Guide:

Clean with mild soap, water, and a soft cloth; rinse thoroughly to wash surfaces and maintain a fresh, clean appearance, and keep your product looking new.
