

Mansfield Storage Bin Instructions model # 5861

MIS044 r2

PACKAGE CONTENTS: 1x Bin, 1x Lid, 2 Waste Bag Hooks

DIMENSIONS: 18.3in W x 14.3in D x 32.1in H (20 Gallon Capacity)

MATERIAL: Polyethylene

IMPORTANT NOTE:

The Mansfield is a multi-purpose storage bin that can be used for storing a wide variety of house hold items and supplies like sand or salt for de-icing the driveway during winter months. Please store sand or salt in the original packaging or an inserted receptacle. Pouring it directly into the bin will apply too much force on the walls which may cause bowing.

In the event of missing or defective parts, please email customerservice@gomayne.com or call our customer service department toll free at 866-363-8834. (available Monday through Friday, 8am-5pm EST)

General Information:

- Read instructions carefully before beginning assembly
- To clean the product, for best results use a soap solution and high-pressure water
- Hooks are included to hold standard waste bags
- Will hold an insert receptacle up to 14in W x 10in D x 25in H

1

The Mansfield Storage Bin includes a bin, lid, and 2 waste bag hooks. Hooks are taped to the inside of the waste bin lid.

2

Align the hooks along the recessed areas and slip the brackets over the lip of the bin.

3

Hooks are designed to hold standard waste bags. Alternatively you can choose to insert a waste receptacle (sold separately).

4

Snap fit lid design for secure fit.

In the event of missing or defective parts, please email customerservice@gomayne.com or call our customer service department toll free at 866-363-8834. (available Monday through Friday, 8am-5pm EST)
